

Web-Developer

(Fulltime m/f)

START WITH US!

As a young **digital startup**, we are revolutionizing **B2B eCommerce**. We develop intuitive **solutions for digital purchasing advice**. In doing so, we pursue **great goals**, both **technologically** and **entrepreneurially**. If you want to make a real difference in an agile and highly innovative environment with **passion**, then you've come to **the right place in our team**.

YOU SHOULD BRING THIS WITH YOU

- Most importantly: you **enjoy entrepreneurship** and working in a **team!**
- Our **gears need to mesh**, so we expect you to work both **independently** and result driven as well as in **close collaboration** with the team
- You are **committed, motivated** and **curious** to learn every day something new
- Studying **computer science** or a **related course** would be great, but we also appreciate it if you have gained **comparable skills** in different ways
- You have gained first development experience in particular regarding web-applications, using e.g. **JavaScript, HTML/CSS, PHP and MySQL**
- Knowledge of current libraries and frameworks like **jQuery** or **AngularJS** would be a plus
- You want to broaden your horizon and acquire insights into areas like **data science, artificial intelligence** or latest **technology trends** in hardware
- Finally, if you think you match, you are **exactly the person** we are looking for!

THAT'S WAITING FOR YOU

- ✓ A team. One goal.
- ✓ Flat hierarchies
- ✓ Space for your ideas
- ✓ Real responsibility
- ✓ Honest appreciation
- ✓ Steep learning curve
- ✓ Modern methods
- ✓ Fair remuneration
- ✓ Flexible working hours

And now? Are you eager to shape the future of e-commerce with us? Then become part of our team and send your application (either in English or German) to our founder and Technology-Fox Carsten (jobs@foxbase.de)
